## **CLAY ARTIST - CLAUDIA KA CARTEE**

I have been a professional studio potter since 1973. Each of the works I create entirely by hand, and these forms are further made distinctive by my unique glazes. I have been an active member of the Craftsmen's Guild of Mississippi for over thirty years and have been a Fellow of the Guild since 1987. With a California State University BFA in ceramics at Fullerton, and postgraduate work completed at the University of Southern Mississippi, a strong arts foundation was established. In 1988 I received a scholarship to the Penland School of Crafts. In 1989 and 2012 I was awarded an Artist Fellowship Grant from the Mississippi Arts Commission. My works have been shown nationally in gallery and museum exhibitions, and have been featured in "From Our Hearts and With Our Hands", a Guide to Mississippi Arts and Culture, and I was interviewed in 1997 for the award-winning segment of Southern Expressions for public television in Mississippi. I have been included, along with other fellowship-level artists on the Southern Arts Federation website. I have served on the Mississippi Arts Commission's Peer Panel Review Committee, and have taught numerous workshops. My latest, and most prestigious recognition is being a recipient of the 2016 Governor's Award for Excellence in the Visual Arts.
